

Ref: Election 2008-2010 update

Dear Working Committee members,

The process of candidates nomination for the next president of our alumni organization has concluded. Five alumni were nominated. Among the 5 alumni, Dr. Tongchuan Li received a majority nomination. Four other alumni who also received nominations were Peihong XU, Ling ZHENG, Yiwu HUANG, and Ronglan ZHENG. Besides, all these 4 nominated had expressed, before the nomination outcome was tallied, that they would not be available to serve as the President this time. However, they are all willing to continue to support the organization any way they can.

In summary, Dr. Tongchuan Li has become the President Candidate in accordance with the AAFMUA bylaws. We will proceed to the next step of the election, which is official voting for the President-Elect of AAFMUA by the Working Committee. We are having a special situation this year since the other candidates referenced here will not be available to volunteer for the responsibility this time. The formal election process will be ratifying Dr. Tongchuan Li's presidency. We are very appreciative that Dr. Li is willing to contribute his time and energy as he has always in the past several years for this organization.
